

Medical Disclaimer

If you think you may have a medical emergency, call your doctor, go to the emergency department, or call 911 immediately.

All content found on the HealologyHealth.com Website, including: text, images, audio, or other formats were created for informational purposes only. This Website does not guarantee accuracy or completeness of the information and content on it, and as a result, such information does not encompass all conditions, disorders, health-related issues, or respective treatments. No action or inaction should be taken based solely on the contents of this information. The Content is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of your physician or other qualified licensed health professional with any questions you may have regarding your health or a medical condition. Never disregard professional medical advice or delay in seeking it because of something you have read on this Website.

This Website and its owners, contributors, and assignees expressly disclaim any and all responsibility for any liability, loss, or risk personal or otherwise, which may be or is incurred as a direct or indirect consequence of the use or application of any of the advice, comments, or information contained on this Website. In no event shall we be liable for direct, indirect, consequential, special, exemplary, or other damages related to your use of the information on our Website.

Any recommendations or endorsements from this Website towards any laboratories, specific testings, supplements, products, procedures, treatment plans, testimonials, opinions, other information, or reliance on any information for publication solely at your own risk and should consult with a qualified licensed health professional first.

The Website is intended for an adult audience (consumer) and may contain health- or medical-related materials or discussions regarding sexually explicit disease states. If you find these materials offensive, you may not want to use our Website and/or provided on an "as is" basis.

This information may not have been evaluated or approved by the Food and Drug Administration (FDA) and may not necessarily be based on scientific medical practice. Information is intended to support general wellbeing and not intended to treat, diagnose, mitigate, prevent, or cure any condition or disease.

If you have any questions, or concerns regarding this Medical Disclaimer, please do not hesitate to discuss this with us further.

In good health,

HealologyHealth
